From the M56

Take junction 12 off of the M56 (A557/A553). Follow signs for Liverpool Airport, via Runcorn. Pass over the Widnes/Runcorn Bridge and continue down Speke Boulevard (A561).

From the M62

Take junction 6 off of the M62 and then the A5300 at the roundabout, continue down Speke Boulevard (A561) following signs for Liverpool Airport.

From the Main Terminal

If you find yourself outside the main terminal at Liverpool Airport then you need to take the same road back towards Speke Boulevard which you have just driven down and look for a right turn, signed to Hale. Follow this road until passing two Hangars on the right. Ravenair is the second and you access our facility by the next road on the right. As illustrated.
