

Part-FCL Light Aircraft Pilot's Licence Package (Rev 022018 Eff 12Jan18)

General Information

Training is undertaken at Liverpool John Lennon Airport using PA38 Piper Tomahawk aircraft. Liverpool John Lennon Airport provides an ideal training environment, giving students the opportunity to fly in and out of an international airport with 24 hr operation and Air Traffic Control. Combined with the flexibility of uncontrolled airspace nearby, it offers a perfect base providing students with the confidence to fly into any major airport. An EASA LAPL medical certificate will need to be obtained prior to first solo and we can provide details of the medical examiners in the local area.

The basic LAPL package includes the following:

- 30 hours training in PA38 Piper Tomahawk two seat training aircraft (this does not include the hire of the aircraft for the Skill Test, or landing and navigation charges during the test).
- Landing and navigation fees incurred at selected airfields.
- Pre and post-flight briefings for each lesson.
- Fees for first attempt at the Skill Test. Fees for first attempts in the Ground Examinations.
- One year membership of Ravenair.

Course costs are shown on our Pricelist which is available at www.ravenair.co.uk

Aviation Equipment

This package does not contain the books and equipment necessary for the practical and theoretical aspects of the course, but these are available to purchase from the Flying School.

Additional Tuition

Tuition over and above that specified in the above package is available in accordance with our current price list and Terms and Conditions.

Terms and Conditions

For the basic package, the entire cost is payable in advance. Additional training is charged at the normal hourly rate. The fee for licence issue is paid directly to the CAA. Total flight time is charged as airborne time plus fifteen minutes taxi-time. Circuit sessions can take place at Liverpool or Sleaf airfields. Other landing fees will be recharged as necessary.

Subject to Ravenair standard Terms and Conditions, copy available on request or download at www.ravenair.co.uk. Subject to change and alteration without notice. E&OE.

Availability & Booking

For further information or to make a booking please call the Flying School Co-ordinator on 0800 328 2680 or 0151 728 4744. Email flyingschool@ravenair.co.uk. Full contact details for all departments can be found on our website in the download area.
