Ravenair Flight Simulator (Eff 01Feb19)

RAVENAIR FLIGHT SIMULATOR

Located at Liverpool John Lennon airport, our simulator has been built inside a real aircraft fuselage and accurately replicates a Raytheon 390 Premier1A Business Jet.

The visual system on our simulator is superb, with high-definition screens providing a wrap-around view of the outside world.

No experience necessary as full instruction and guidance will be available if needed. There are extra seats behind the Pilot's position, so you can share the flying with friends or family. Gift vouchers valid for 6 months from date of purchase, can be bought for 30 minute or 60 minute sessions and the quoted time doesn't begin until you are seated at the controls.

Prices

£90 for 60 minutes

£66 for 30 minutes
