## #fullservicefbo

Charges Quoted are Basic Handling Fees. Pricing may be increased depending on your requirements. Please call or email for details. Subject to Change and Alteration without Notice.

### OOH Surcharges are calculated by using a banding system, VAT is charged as applicable.

OOH information is offered to assist brokers, owners and operators of aircraft utilising the services of LAS in the calculation of Out of Hours Surcharges. Our FBO is manned daily (Except Christmas Day, Boxing Day and New Years Day) from 0800 Local Time to 2000 Local Time. All other times are available on request subject to the Airport Operator opening times as published and Notam'd. OOH surcharges are applicable to each aircraft operating within the period 2000-0800 Local Time and charges are not shared amongst aircraft from the same operator or with other operators.

2000 – 2359 Local Time	127.50 + VAT
0001 – 0459 Local Time	254.50 + VAT
0500 – 0800 Local Time	191.00 + VAT

Please see Security Information regarding Demarcated, Temporary Demarcated Areas and Critical Part. FBO will arrange parking position as appropriate to aircraft MTOW and type of flight. The Airport Authority charge for the use of the Temporary Demarcated Area (TDA) on the Main Apron per Arrival / Landing (applicable to arrival or departure). No additional charge is made for use of the (Permanent) Demarcated Area at the GA Apron "Kilo" operated by Ravenair/LAS as Lead Tenant under contract with the Airport Authority.

**Airport Auth TDA Charge** £ 100.00 + VAT Note Free of Charge at GA Apron  
**Main Apron Only** Incl Re-Position for Fuelling Operations.
